

Even those who reject need to hear the gospel

It is better to preach and offend some. Than not preach and all suffer in hell.

Jesus preached also to those not open. Initiate conversation first, then we know who is open.

**1. Fear of Rejection**

**2. Fear of Offending Others**

**Handling Fears Of Preaching the Gospel**  
Mark 6:1-6

**5. Fear of not knowing who is open**

**4. Fear of messing up**

**3. Fear of not getting results**

When I preach, Jesus promised to be with me and work with me.

Preach not because I'm good or get results. Preaching is my part. Results are God's part.
